

Black Dresses for Women's Chorus and Chorale

All girls in Women's Chorus and Chorale will be provided with a performance dress and a fitting. An optional \$15 annual donation is suggested to help maintain our dress inventory. Should you wish to own your dress, a new dress can be purchased for \$65. As always, a donation or purchase will never affect a student's grade or ability to participate in a choral ensemble.

Please hem your performance dress to one inch above the floor with performance shoes on. Please instruct your tailor that the fabric of the dress may not be cut; this will allow the hem to be raised and lowered in the future. With the exception of the hem, no other alterations are allowed.

- Please do not cut out tags or interior hanger straps.
- Dresses are machine washable in cold water – tumble dry on low.
- Dresses will be issued when the form below has been signed and returned. Thank you!

Please return this form by **Friday, September 15th**

Please make checks payable to SMAPA Samohi Vocal Music

I understand that borrowed choir dresses are the property of Santa Monica High School and that any dress that is lost, stolen, damaged, or not returned will result in an obligation of \$65 placed on my student account.
